## **ONLINE PARTICIPATION:**

This course is a hybrid online accounting course. As such there are many activities that will require online participation. You are required to check email, course discussion and other announcements at least three (3) times per week. I will monitor your activity via Canvas and evaluate your participation. A portion of your grade will be determined based upon your participation during the semester.

## **CLASS MEETING TIMES:**

As part of the hybrid format of this class we will meet in person Thursday Evening from 5:15 PM to 6:45 PM. Tuesday nights time slot will be reserved for class discussions and submission of homework. Although it is not mandatory that Tuesday night is used for this "informal" meeting, it will be made available.

Although "in class" time will not be similar to formal face-to-face classes, it is expect that the same amount of instruction and coursework will be required.

## **OUT OF CLASS EXAMINATIONS:**

There will be three (3) examinations during the semester. Each of these examinations will be administered in the testing center. The examinations will cover the classwork preceding each exam. The final examination will include concepts from previous chapters, but will be primarily from final modules.

## **DISABILITY STATEMENT:**

Students with medical, psychological, learning or other disabilities desiring reasonable academic adjustment, accommodations, or auxiliary aids to be successful in this class will need to contact the DISABILITY RESOURCE CENTER Coordinator ( Baako Wahabu) for eligibility determination. Proper documentation of impairment is required in order to receive services or accommodations. DRC is located at the ground floor of the Financial Aid Office. Visit or call 652-7516 to schedule appointment to discuss the process. DRC Coordinator determines eligibility for and authorizes the provision of services.
