### COURSE DESCRIPTION:

This course provides Accounting majors with the opportunity to participate in an experiential learning activity (the VITA (Volunteer Income Tax Assistance) program) that will lead to greater application mastery of the tax concepts and the tax research methodology introduced in Tax Accounting I and a refinement of the interpersonal skills crucial to a productive client/practitioner relationship.

### LEARNING OBJECTIVES:

The Accounting majors that complete this course will:

- Demonstrate an in-depth working knowledge of TaxWise, the IRS-provided tax preparation software used to complete clients federal and state tax returns;
- Complete the IRS certification exams (Basic and Advanced) that, when taken in total, give them the right to practice as VITA volunteers before the IRS;
- Participate in the six-week VITA program, and
- Close the feedback loop by participating in weekly training sessions and thereby achieve a higher level of mastery in addressing problematic tax-return issues.

### COURSE REQUIREMENTS AND POLICIES:

#### Professionalism.

- **Absenteeism.** I conceptualize our student-instructor relationship in much the same way that I conceptualize an employer-employee relationship. There is nearly zero tolerance for unexcused absences in the work place and excused absences are typically granted for unusual and infrequent events. Missing my class without obtaining an excused absence from me is unprofessional and will result in a ten-percentage-point reduction of your final grade.
- **Timeliness.** Grading late work is very disorienting to me because I am typically unable to recapture the mindset that I used when I graded timely submissions. **For that reason, I will not accept late work unless I have agreed to do so in advance of the due date, typically in connection with a compelling life emergency.**
- **Electronic Devices.** In the event that your interaction with an electronic device detracts from our learning environment, you have the choice of providing your instructor and class peers with sufficient Papa John's pizza and ice-cold Coca Cola to meet their caloric intake dreams or taking a ten-percent reduction in your final grade.
- **Orderliness.** All submitted assignments will be graded, at least in part, on accuracy, completeness, logic, difficulty, clarity, neatness, and organization.

#### Exams.

The basic and advanced VITA certification exams are open-book assessment events that are deployed in an internet-based, password-protected domain. I highly recommend that you solve the variations (test and retest) of each certification exam before attempting to solve them online. Other certification exams

(Cancellation of Debt, Health Savings Accounts, Foreign Student, International, and Military) are available for students wishing to enhance their usefulness as tax preparers as well as their grade for this course.

**Reasonable Accommodation Statement.**

Students with medical, psychological, learning or other disabilities desiring reasonable academic adjustment, accommodations, or auxiliary aids to be successful in this class will need to contact the Disability Resource Center Coordinator (Baako Wahabu) for eligibility determination. Proper documentation of impairment is required in order to receive services or accommodations. DRC is located at the ground floor of the Financial Aid Office. Visit or call 652-7516 to schedule appointment to discuss the process. DRC Coordinator determines eligibility for and authorizes the provision of services.

**Academic Integrity.**

Scholastic dishonesty will not be tolerated and will be prosecuted to the fullest extent. You are expected to have read and understood the current issue of the student handbook (published by Student Services) regarding student responsibilities and rights, and the intellectual property policy, for information and procedures about what constitutes acceptable on-campus behavior.

**Changes to Syllabus.**

Information contained in this syllabus, other than grading and course requirements and policies may be subject to change with advance notice, as deemed appropriate by the instructor. You are responsible for changes to the syllabus or learning activities announced in class during your absence.

**Dmail Notice.**

Important class and college information will be sent to your Dmail email account. This information includes your DSC bill, financial aid/scholarship notices, notification of dropped classes, reminders of important dates and events, and other information critical to your success in this class and at DSC. All DSC students are automatically assigned a Dmail account. If you don't know your user name and password, go to [www.dixie.edu](http://www.dixie.edu) and select "Dmail," for complete instructions. **You will be held responsible for information sent to your Dmail, so please check it often.**

**REQUIRED LEARNING RESOURCES:**

Technology-Fee Provided:

- CCH Internet Tax Research Network
- TaxWise Online Tax Preparation Software

Student Provided:

- **Access to a Windows PC compatible computing device is required.**

**COURSE GRADING:**

- This grading scale will map your performance on assessment event (AE) activities to a letter grade:

92.5-100%	89.5-92.4%	86.5-89.4%	82.5-86.4%	79.5-82.4%	76.5-79.4%	72.5-76.4%	69.5-72.4%	66.5-69.4%	62.5-66.4%	59.5-62.4%	0-59.4%
A	A-	B+	B	B-	C+	C	C-	D+	D	D-	F

This scale is approximate because it imperfectly reflects my analysis of cumulative assessment performances that end up close to the demarcation line between grade increments. In such cases, I review all assessment activities to see if they were completed and performed at a competent level. I typically give qualifying individuals with competent performances the benefit of the doubt, thus awarding them the higher grade.

- These are the assessment activities, your completion of which accumulates points that are transformed into percentages that are summed and then mapped into grades using the previously noted grading scale:

Training		VITA Program					
Participation	Certification Exams	Completed Tax Returns	Volunteer Hours	Additional Certifications	Quality Reviews	Client Referrals	Total
5%	10%	25%	25%	15%	10%	10%	100%

Additional grade consideration will be afforded any course participant that finishes as one of the top three volunteers in any one or more of the VITA assessment categories (i.e., completed tax returns, volunteer hours, additional certifications, quality reviews, and client referrals).

- For policies regarding incomplete or withdrawal, please refer to the current university catalog.
